

Thank you for choosing Intertek for your testing needs. We appreciate your business.

We kindly ask you to provide a copy of your company's business registration papers to confirm your legal name. This is also known as your Certificate of Incorporation papers. This document would be issued by your government which shows your legal name and unique business identification number. This name will appear on your reports and/or certificates.

Intertek has thousands of customers and some of our customers have similar names. The business document we are requesting will ensure that we are communicating with the correct client and that no proprietary information is given out to the wrong company.

Intertek takes your privacy very seriously. This is also an official requirement from our auditors.

Please do not hesitate to contact your account manager if you have any questions.

We thank you for your cooperation in advance and we look forward to working with you.
